THE SENTINEL.

JOSIAH TURNER, Jr., EDITOR.

THURSDAY, NOVEMBER 25, 1869

SAD SIGHT IN THE SENATE.

Tuesday was a day of humiliation and shame to North Carolina. A grand effort was made to cover up and keep concealed the frauds which have been perpetrated upon the people and the State. Major Graham's resolutions, calling for a Committee to report upon the condition of the Western N. C. Railroad Company had been made the special order of the day. Mr. Respass had introduced a bill requiring the Presidents of all Railroad Companies, having bonds, or money arising from the sale of State bonds, to make quarterly reports to the Treasurer of the State. Mr. Welker had introduced resolutions relative to the sale of bonds made by the Western N. C. Railroad, and calling for a Committee of investigation.

These three several steps, looking to the investigation of the frauds said to have been committed on the Western N. C. Railroad, were all made special orders for Tuesday. Mr. Graham's resolution was first, Mr. Welker's was second, and Mr. Respass's was third, in the order of introduction. The rule of the Senate is that bills shall be taken up in the order in which they are introduced.

The Clerk, when the hour for these special orders arrived, began reading No. 3, Mr. Respass's bill, instead of No. 1, Mr. Graham's resolution. Mr. Graham checkmated this move by raising a question of order, that No. 1, should be first read, this was so ruled by the Chair. While this was going on, Littlefield, the "Ring Master," and the Governor the "Mainspring of the Ring," were standing in the lobby engaged in earnest conversation; Victor Barringer, of the Code Commission, was also on hand. Senator Lassiter, of kildee notoriety, offered a bill supposed to be drawn by Victor, of the Code, at the suggestion of Littlefield and the ring.

The bill should be nailed to the whipping post; it would not be parliamentary in us to say where, in our judgment, the author and mover of the bill should stand.

The introduction of a bill with such provisions was a masterly move. It should be entitled "a bill to protect Littlefield and the ring, and to provide a living and support for carpet bag invaders and lazy natives unwilling to work."

Mr. Lassiter said on introducing the bill that other bills introduced on this subject were not sufficiently comprehensive, which would more fully enable the investigating committee to conduct their examinations with thorough certainty and in a satisfactory manner to every one." With this declaration of honest intent he introduced a bill, differing from the other three in no respect, except this, it allows the "main spring of the ring" to appoint the committee or commissioners, to investigate the frauds of the ring, and gives them until next year to make their report. Yes, the Governor, then talking in the lobby with the man charged with fraud, was to appoint the committee to investigate his frauds, and give the committee a salaried clerk, whose pay should not exceed five dollars per day, and the committee to report away yonder in 1870; and not until about the middle of that year. By that time there will scarcely be a dollar of the bonds left to wrangle about.

Away with such a bill! its smells of the Penitentiary swindle; it smells of the *Standard* and the kildee purchase; it smells of the $100,000 which Pike says Littlefield makes this year by State printing. Let the people remember,

I. Littlefield and the Ring is charged with having used $3,000,000 of bonds of the Western N. C. Railroad in his Florida transactions; as President of this Road, he has in his pocket millions of State bonds which he can't sell at 30 cents in the dollar. The Governor is aware of this misuse of State bonds, and he talked to his friends about it in New York, but forgot to mention it in his message.

II. Remember, Littlefield bought Senator Lassiter's kildee land at $20 per acre, as boys sometimes swap knives, "sight unseen." Littlefield had never seen the land.

III. Remember, Littlefield bought the *Standard* newspaper of Gov. Holden, at $20,000; while type, press and all could not have cost the Governor, when new, more than $5,000. Type, press and all, counted by Littlefield unfit for use, and have been mostly thrown aside for that which is new.

IV. Remember, the Governor has made Littlefield State printer, by which he makes $100,000.

V. Remember, Littlefield had a grog shop in the Capitol and is said to have received $100,000 for getting through the bill appropriating $2,000,000 to the Chatham Railroad.

VI. Remember, Littlefield was presented by the Grand Jury of Wake for attempts to bribe the Legislature with "money and whiskey."

VII. Remember, Judge Watts on Thursday of the term, within five minutes after the presentment, adjourned the Court before a bill could be drawn, and the said Judge is now electioneering with a view to being a candidate for Congress.

VIII. Remember, that Littlefield's checks have been protested for two years, and it is of common occurrence that they are protested even for small amounts, and the Governor is aware of it.

IX. Remember, that even the 10,000 dollars which he spent in whiskey, cigars, and wine, in corrupting the members of Assembly, has not been yet paid, and the Governor knows it.

X. Remember, Littlefield is the Governor's President of the Western Road, and the Governor is seen in the lobby with him while this Victor Lassiter bill is before the Senate.

XI. Remember, we have no malice, we have made no charges, we have only stated facts to show that Tuesday was a sad day, a day of shame in the Senate.

XII. Remember, North Carolina bonds are quoted at 35 cents in the dollar, and falling every day.

XIII. And then remember, the Senate, by the influence of the "Ring," quashes direct and honest investigation.

A SHAKING AMONG THE BONES.

A perusal of the *Standard* of Wednesday morning will convince those who are in the habit of reading that sheet, of two things especially; first, that there was a new pen employed in getting up the editorals; and, second, that there is unmistakable evidence of a "scare" in the "Ring" wigwam.

We say, there is evidence of the traces of a new pen in the editorials—they are not Pikish at all; at least the two, headed respectively "Party Discipline," and "Organization Necessary." We say they are not like Pike; they lack his terseness and nervous style; besides they are deeply *partyish*, a feature which Pike professes to ignore, so far as *looking in* is concerned. We don't know who wrote these editorals, but we are confident Pike didn't.

But the tone of these editorials, especially the one about "party discipline," is what renders them more remarkable than the style. The writer bemoans defection in the Radical ranks; hints that it is becoming more and more apparent every day; that disintegration is going on in the party that caucus cannot check, and then the writer lifts the warning voice and intimates the dire calamities; the whippings and bruises; the frowns and scoffs, and final political damnation, of all who dare question the purity, honesty, wisdom and authority of *the party*.

The article of the *Standard* is timely for the interest of certain leaders; their political life or death is the alternative involved in the issue of certain measures. If Radical members of the Legislature falter now, certain men go by the board—are done for forever. The "Ring" expects every man to do his duty; it is no time for the indulgence of conscientious scruples now; there is no quarter to be given those who are considered bought and paid for, should they falter when the great battle is to be fought. What if a man may have some regard to his own reputation, the honor of his State, the welfare of his children and the respect of his family and friends! that's nothing now, the work of the Ring must be done, and every man is expected to come up to the scratch; and if he fail, he is to be handled without gloves, and the cologne bottle will be thrown aside.

The report of the Legislative proceedings of the last few days will furnish a clue to the animus of the article of the *Standard*.—There are measures pending before that body on which depend, not the welfare of the State and people, but the life and success of the "Ring." To carry there measures requires the sacrifice of political life, and this is a sacrifice that men are inclined to shrink from. The measures alluded to are unpopular, and few men who favor them will ever again receive favor from the people. Many members of the Legislature, of the Republican party, know this and draw back, hence the unfurling of the lash in the *Standard*.

Our finances are in a deplorable condition—our State bonds are at thirty-five cents in the dollar, and falling every day—there is not a capitalist in the country that would make a permanent investment in them at ten cents on the dollar—yet the people are taxed to pay interest on them as if they were worth dollar for dollar. This state of things is owing, in part, to strong suspicion that the bonds have been fraudulently used and misapplied. Nothing but a fair investigation can remove this suspicion, and yet, if honest Republicans show a disposition to favor such investigation, they are told to beware, and called scoreheads and threatened with political ostracism.

Certain purposes are to be accomplished for the benefit of leading "Ring" men, which cannot be accomplished without a violent and revolutionary prolongation of the term of the General Assembly—a movement which meets the unconditional condemnation of all right thinking men of all parties; but it must be done at all hazards, and woe be to the Republican member of the Legislature who lets self-respect, honor, honesty or patriotism, stand in the way of the orders of the "higher powers." He is a recreant, whiner and a croaker.

All this ranting and threatening and coaxing of the *Standard* is well understood—it is all understood by those of its own party as well as by its opponents. Whether the honest Republican members of the Legislature will surrender their convictions of right, and suffer themselves to be whipped into the traces to further the fraudulent schemes of interested leaders, remains to be seen. We have no interest in the matter; the Democratic party need care very little what course they pursue. The people will bide their time, and when that time comes, let those who give aid and comfort to the men who are scheming for the ruin of the State and the oppression of the people, stand from under. Investigation may be smothered; the rights of the people may be outraged, but woe be to those by whom these offences come.

A SPEAKING MACHINE.—We see it stated that Professor Faber, of Hamburg, has constructed a speaking machine, which utters various words, answers questions, and even enunciates single sentences. We hope it will be smashed to pieces if the inventor ever undertakes to bring it to this country. There is too much talking here now.

Messrs. Murphy, Robbins, Graham, Lindsay and Jones, of Mecklenburg, opposed the substitute and urged the adoption of the original bill as citizens of Wilmington and of New Hanover county desired that the Court should be abolished, they were anxious to comply with the wishes of the people who were interested in the matter and who had made complaint to the General Assembly in a petition numerously signed.

A. H. Galloway, colored, was in favor of submitting the question to the people of Wilmington.

Mr. Brogden favored the adoption of the substitute. Pending its consideration the hour for the special order arrived.

The question being upon Mr. Seymour's call for the previous question, which was pending when the House adjourned yesterday.

The call was sustained.

Mr. Ellis was allowed to withdraw his Proviso.

The question recurred upon Mr. Durham's amendment, (published yesterday.)

The yeas and nays being called, resulted in the following ballott.

YEAS.—Messrs. Argo, Armstrong, Ashworth, Banner, Barnett, Barnes, Blair, Boddie, Clayton, Davis, Davidson, Durham, Ellis, Farrow, Forebee, Gatling, Gilbert, Green, Grier, Harris of Franklin, Hawkins, Hassan, Horney, Humphries, Jarvis, Justus, of Henderson, Kelly, of Davie, Kinney, Long, of Chatham, Malone, Matheson, McMilian, Mendenhall, Moore, of Alamance, Nicholson, Painter, Parker, Rea, Robinson, Shaver, Siegrist, Smith of Alleghany, Smith, of Martin, Smith, of Wayne, Solgman, Sweat, Sykes, Thompson, Vestal, Welch, Whitley, Williams, of Harnett, Wilson.—58.

NAYS.—Messrs. Candler, Carson, Carey, Cawthorn, Cherry, Crawford, Dixon, Eagles, Forkner, Foster, Gahagan, Graham, Gunter, Harris, of Wake, Hinnant, Hudgings, Ingram, Justice, of Rutherford, Kelly, of Moore, Leslie, Leary, McCanless, Morrill, Morris, Pearson, Pou, Price, Proctor, Ransom, Robbins, Seymour, Sinclair, Simonds, Stanton, Stevens, Vest, Watts, Wilkie, Williamson.—40

The question recurring upon Mr. Pou's substitute, (published before) which was put to a vote and rejected.

The question was then upon the resolution as amended, when, Mr. Durham said that he was as much opposed to repudiation as any one, but he deemed the introduction of this resolution as very unfortunate. He was perfectly willing to vote for a well guarded bill maintaining the credit of the State. As he deemed the direct rejection of this would be rather imprudent, he hoped Mr. Seymour, would either withdraw it or postpone for sometime.

Mr. Seymour said that the Republican party had been whipped in a square fight. He would vote against the resolution in its present shape.

After some debate Mr. Seymour was allowed to withdraw the resolution.

A message was received from the Governor in regard to the Western Division of the Western N. C. Railroad.

On motion of Mr. Robinson 20 copies for each member was ordered to be printed.

By G. W. Price, colored: A bill to enforce labor upon highways. Referred.

CALENDAR.

Resolution petitioning Congress to recognize the belligerent rights of Cuba.—Referred.

The resolution fixing the *per diem* of members of the Legislature at $4. Presidents officers $7, clerks $5, doorkeepers $4, on motion of Mr. Stevens, indefinitely postponed.

The resolution asking Congress to remove the special tax on brandy, was next taken up and discussed.

Mr. Vest moved to indefinitely postpone. After some debate the motion was rejected by a vote of yeas 9, nays 77. The resolution was adopted after being amended in some particulars.

Resolution instructing the Judiciary committee to report a bill for the relief of the people, by taxing executions on old debts, was taken up, and on motion of Mr. Foster indefinitely postponed.

Resolution raising a Committee to examine alleged frauds in the management of the various Railroad bonds, introduced by Mr. Welch. (Published before.)

Mr. Welch advocated the resolution in a speech of some length, which we will publish as soon as we can make room for it.

Mr. Sinclair would support the resolution it made general but thought the present resolution was partisan in its spirit.

Mr Justice offered an amendment that in addition to the roads mentioned, the investigation shall extend to [illegible] men of all Railroads [illegible] appropriations by the State since May 1865;

Mr. Welch accepted the amendment.

Mr. W. disclaimed any intention of being influenced by partisan motives. He had conversed with Republican Presidents of Roads and they were anxious for the investigation.

Mr. Ingram moved to amend by striking out all after the word "appropriations" and insert the words "have been made at any time."

Mr. Sinclair thought they had better go back to the days of Adam.

Mr. Welch accepted the amendment.

Mr. Ellis offered a substitute appointing messrs Winstead, Wilen, Welker, Graham and Jones of Mecklenburg of the Senate and Messrs Pou Mendenhall, Parker, Stanton, Welch, Jarvis and Durham of the House, a Committee to examine into the affairs of all the Roads. (The substitute being a long one; will be published at another time.)

Mr. Welch accepted the substitute.

Mr. Sinclair moved to lay the whole matter on the table. The yeas and nays were called and resulted in the following ball t:

YEAS.—Messrs. Canon, Crawford, Eagles, Foster, Hudgings, Kinney, Laflin, Moore, of Chowan, Morrill, Morris, Pearson, Proctor, Sinclair, Simonds, Snipes—15.

Pending further debate a message was received from the Senate announcing the passage of a substitute for House resolution reducing the *per diem*. The substitute fixes the *per diem* at the same as the two last sessions and legalizes the issue of *per diem* heretofore paid out by the Treasurer.

Mr. Justice moved to concur.

A vote being taken the House refused concurrence by a vote of yeas 34, nays 63.

After some further debate the House on motion adjourned.

A STANDARD HISTORY BY

GEN. LEE.

A Work of National and Permanent Value.

MEMOIRS OF THE WAR,

By Gen. Henry Lee,

("LIGHT HORSE HARRY")

Thoroughly Revised and Annotated,

BY GEN. ROBERT E LEE.

WHO HAS ADDED A FULL BIOGRAPHY OF HIS FATHER.

1 vol octavo, 810 pages, with new Steel Portraits of Gen Henry Lee, Gen. Robert E Lee, and Gen. Nathaniel Greene; beautiful Steel Engravings of "Marion Crossing the Pedee," and the "Surrender of Cornwallis;" Maps of the Siege of Charleston, S. C.; the Siege of Yorktown, Va.; the Battle fought near Camden; the Battle of Guilford; the Battle of Robinson's Hill; and a sketch of Gen. Henry Lee's residence.

This admirable history of the operations of the American Armies during the Revolutionary War in the Southern Department of the United States is the standard work on the subject of which it treats; and this new edition, revised, corrected, and enlarged by Gen. Robert E. Lee, the distinguished son of the author, and embellished by elegant Engravings, and original Maps never before published, is a volume of the highest value to every intelligent person.

This history has been for a long time out of print, and because of its accuracy as a history of that interesting period and that it was the work to supply its place, it was much sought for and a new edition demanded.

It is seldom that a historical work by a distinguished author has the advantage of a revision by so distinguished a son, and both of them great military leaders in the same section of the country.

Gen. Lee receives a LARGE COPYRIGHT UPON EVERY COPY OF THE BOOK SOLD. Sold only by subscription.

CITY AND STATE ITEMS.

THURSDAY, NOVEMBER 25, 1869.

☞ THEO. N. RAMSAY, as Business Clerk, is authorized to make contracts and give receipts, &c., &c.

DR. THOMAS H. TURNER having returned to his old home, offers his professional services to the citizens of Hillsboro and vicinity. 3w

GEN. DOCKERY AT THE CAPITOL.—The address of Gen. Dockery at the Capitol last night was listened to by a very large audience. The old "war horse" spoke in his usual bold and independent style, and showed that he was not seriously frightened at the recent threats of the *Standard*, but was disposed to perform his duty in the position he occupies as a member of the Penitentiary Board, in a fearless and an honest manner. He claimed to be a Republican, and told his party friends some wholesome truths, and some which, perhaps, they did not relish very well.

He stated that $28,000 of the $50,000 appropriation for the Penitentiary, had already been used, and a further amount drawn on to purchase supplies. He invited investigation into the manner in which the Board had performed their duties, and insisted that further appropriations must be made, or the work would soon have to stop.

We will allude further to the remarks of Gen. Dockeresfier.

THAT WET COTTON.—We are requested to say that the affair of the wet cotton, noticed by us a few days ago, has been adjusted in all the cases except the one bale from this county. The following explanation is given:

The person who attended the gin where the cotton was picked, being inexperienced, sprinkled the cotton, as he states, to lay the dust in the lint room, and thinks he sprinkled too heavily, without intending it. The probability is, that he had an eye to the scale out, in order to render his gin popular. He has given a sworn certificate that the owners of the cotton had no hand in it or knew anything about it. They have come forward like honest men, returned the money they received for the cotton, with all expenses of its transportation. Of the Wake county case nothing has been done yet. We hope for the honor of our county and the prosperity of our market, that this, too, will be satisfactorily arranged.

"GOD IN THE OCEAN," is the subject of Prof. S. Adams Lee's Lecture at Tucker Hall, on Friday night, instead of Thursday night, as we had it in yesterday morning's issue. The Ladies of the Memorial Association have been indefatigable in the holy cause in which they have engaged, of giving sepulture to the Southern dead who fell in the struggle for southern independence; and in ornamenting their last resting places. They ask the co operation of those who sympathise with them in their labors. To further the object they have in view, that of erecting a monument to the memory of our Southern heroes and to beautify and keep in order the cemetry where they sleep, Prof. Lee has, at their solicitation, consented to deliver the Lecture, as announced above, the proceeds of which go into the funds of the Association. The Lecture will be well worth the admission price, independent of the considerations we have alluded to, and, surely, both combined will draw together a crowded audience on Friday night.

The doors will be opened at 7½ o'clock, the Lecture will commence at 8. Tickets for sale at all the Bookstores.

CHILD ASTRAY.—A little boy, son of Mr. J. G. Bromell, eight years old, has strayed off from his home and is wandering about the city. We are requested by his father to notify the public not to harbor him or to encourage him to continue from home.—The police are requested to take him up, if found, and return him to his father.

FATAL AFFRAY.—We learn from the *Journal* that two negroes got into a fight, on a plantation near Wilmington, on Tuesday morning, when one struck the other a blow on the head with a stick of wood, knocking him senseless, and it was thought by the physician the stroke would prove fatal.

Self Advertised.—PHALON'S VITALIA OR SALVATION for the Hair carries with it its own best advertisement. As the light shines through the bottle you see that the liquid is clear as the azure of heaven. You smell it and find the odor agreeable. You apply it and it changes gray hair to any natural shade without scaling the scalp or producing headache. Nothing can be more harmless.

GOING TO WILMINGTON.—We see it announced in the Wilmington papers that the popular Principal of the Deaf and Dumb and the Blind Institution, of this city, W. J. Palmer, Esq., will visit Wilmington with a number of his pupils, sometime during the coming month, for the purpose of giving an exhibition of the manner of instructing this unfortunate class, and the very gratifying results that may be attained in the efforts for their improvement. Some of our Wilmington friends, who may witness the exhibition, will fail to be interested and amused, as well as instructed.

ON ACCOUNT of the great number of wonderful CURES of *obstinate* and *inveterate* cases of SCROFULA, DYSPEPSIA, LIVER DISEASE, KIDNEY AFFECTIONS, GENERAL BAD HEALTH, &c., made by the *celebrated* "KOSKOO," it has won the *enviable reputation* of being the *best* and *most popular* medicine *ever discovered*. It is daily prescribed by physicians and recommended by many thousands of our best citizens. For sale by Druggists and Merchants everywhere.

Ladies suffering from any disease peculiar to their sex, can be restored to health by using DR. LAWRENCE'S "WOMAN'S FRIEND." It purifies the secretions, and restores the system to a healthy condition.

Capt. Wm. A. Ferret, brother of Gen. Forrest, shot and killed Col. John S. Smith at Marion, Alabama, a few days ago. Smith was advancing upon him with a knife. Ferrat has not been arrested.

OPENING THE CAMPAIGN.

An esteemed friend in Onslow who digs his taxes out of the ground, writes inviting us to that county for a speech at the next spring term of Onslow Superior Court.—We wrote informing him that our present campaign was not yet over and we could not engage for a new one until the present was closed. NEXT Tuesday we will be at Yadkinville, provided, the old gentleman who invited us, two months ago, does not forget to send for us at Salem. Friday we close the campaign at Ashboro, in Randolph county. We have had a pleasant campaign, made many new acquaintances, learned much of our people, their sentiments, mode of living and cultvating the soil. We have not answered one in ten of the calls we have had to address the people, but, Providence, the Ku Klux and Leagues permitting, we expect to answer some of them next year.

GEN. STUBBS.—We had the pleasure of a visit from our friend General Stubbs, who is President of the Williamston and Tarboro Railroad. The grading of this Road began the first day of June last, and is now completed except about two miles. The iron for the whole track, from England, is lying at Portsmouth awaiting transportation.

This speaks well for Gen. Stubbs and Gen. Lewis, the Superintendent of the Road. This road was built by means of State bonds disposed off before Littlefield began to manipulate them.

ROBUK SHOT.—We learn from the *Observer* that a negro named John Frank Parks, was shot by policeman Wm. Taylor, while attempting to bore into the store of M. W. Alexander, in Charlotte, on Monday night. The shot took effect in the back, and was pronounced by the surgeon, Dr. McCombe, to be fatal. The negro said he was trying to get into the store to get some money he knew to be in the money drawer.

We would call the attention of our citizens to the liquors kept on hand by our enterprising young friend, G. T. Stronach, as being the purest and best in the city.

Also the attention of the trade is called to his advertisement in which he agrees to sell at Northern market prices.

BIG SALE.—The Wilmington and Manchester Railroad, workshops, foundries, and fixtures, are advertised to be sold at public auction, at the Court House door in Wilmington, on the 5th day of January next. If N. C. special tax bonds will be received from bidders, this offers a fine opening for investment to some of "our folks." Perhaps it would be well to recall Mr. S. T. Suit from Florida, and put him on this speculation. (!)

IREDELL COUNTY,
Nov. 20th, 1869.

HON. JOSIAH TURNER JR.

Dear Sir:—I take it from what you say in the SENTINEL that you are not aware that Treasurer Jenkins has not answered the injunction filed against the Limebed Rail Road, his answer is that he will abide the decision of the Court.

The Treasurer of the Road has not answered and will not do so until next Spring Term. They have ceased to work on the Road and many are determined they shall not begin, unless the Supreme Court will overrule his own decisions.

Keep up your blows; but for TURNER and the SENTINEL we should have been irretrievably gone. Yours,

IREDELL.

SANDWICH ISLAND SUGAR.—American planters are largely engaged in sugar culture in the Sandwich Islands, and the prolific yield thus far gives encouraging prospects. Up to September 13, the sugar exported since January 1st amounted to seven thousand seven hundred and eighty tons, and for molasses seven hundred and thirty-one tons, making a weekly average export of produce from the plantations of two hundred and ten tons of sugar and twenty tons of molasses, or a total average for thirty-seven weeks of two hundred and thirty tons. Fifteen millions five hundred and sixty-one thousand pounds of sugar and two hundred thousand gallons of molasses for the period named is no trifling business, and must be taken into account in calculating the supply needed for consumption on the west coast and in Utah, where upwards of 250,000 pounds have been sent within a few weeks. According to the Honolulu "Gazette" the crop of sugar for 1869 will reach fully 20,000,000 pounds, and that for 1870 will amount to 22,000,000 pounds. The Hawaiian Government have an emigrant agent in Yokahama, whose business it is to secure Japanese laborers for the sugar plantations, and a considerable number have been sent out, but thus far the supply is inadequate on account of unfavorable reports in Japan respecting the hardships of the service.

THE SUEZ CANAL—THE OPENING CEREMONIES.

All our latest news is to the effect that the Suez Canal is a great success. In spite of all that has been said to the contrary, the world is now convinced that the waters of the Mediterranean and the waters of the Red Sea have been brought together, and few are disposed to doubt that navigation, even on the part of ships of heavy tonnage, is now more than possible. The Empress Eugenie and the magnates of all lands that could be crowded into forty vessels have in eight and a half hours passed safely and successfully through the first half of the canal and reached the grand central depot, which is in all time to come to bear the Viceroy's name. Ismailia has now commanded attention quite equal to Port Said, and we are no longer permitted to doubt that the forty vessels, and others besides, will without much difficulty make their way to the Gulf of Suez.

Meanwhile the festivities continue. Ismailia has been grander than Port Said.—Suez will be grander than Ismailia. At Suez the arrangements are such that the Arabian Nights' entertainments will be not only eclipsed, but made forever henceforward unmentionable. In a few hours more we expect to learn that the voyage has been successfully accomplished, and that the dream of the Pharaohs, the Ptolemies, the Alexanders, the Cæsars, has become a fact. We wait with hope and confidence. —*New York Herald.*

We regret to state the Dwelling House, Kitchen and Smoke House, with all their contents, belonging to Mrs. Sarah Shuford, in Transylvania county, were burned on the evening of the 5th inst. Our informant states that between one and two thousand dollars in money were burned or stolen.—Mrs. Shuford and her three sons were left without a change of clothing, money or provisions, and are now in every destitute circumstances. It is not known whether the fire occurred from accident or the torch of an incendiary.—*Asheville News.*

DR. LAWRENCE'S

Highly Concentrated Compound

FLUID EXTRACT OF

Koskoo!

THE GREAT HEALTH RESTORER!

NOT A SECRET QUACK MEDICINE—FORMULA AROUND THE BOTTLE.

Prepared Solely by

J. J. LAWRENCE, M. D.

ORGANIC CHEMIST,

NORFOLK, VIRGINIA.

☞ Beware of Counterfeits. See that Dr. J. J. Lawrence, Chemist, Norfolk, Va., and the word KOSKOO, is BLOWN ON THE GLASS of each bottle. ☜

Koskoo is endorsed by the best physicians everywhere. Read the following from Dr. Tillery, a successful practitioner of many years standing in the Old North State:

Rocky Mount, Edgecombe Co., Sept. 18, 1869.

DR. J. J. LAWRENCE—Dear Sir: I have used your Concentrated Fluid Extract of Koskoo in my practice with the happiest results. I find it to be a *powerful Liver Invigorator Blood Purifier* and *Nervous Tonic*. In all diseases of the Liver, Scrofulous Syphilitic, Nervous Affections, *it is a remedy of immense value*; in fact, in almost every variety of Chronic Disease its use is indicated. Hoping you may meet with the success which you deserve as a manufacturer of *reliable* medicines, I am sir, with much respect, your obedient servant,

R. C. TILLERY, M. D.

From Dr. Fentress, an accomplished and experienced physician.

Princess Anne Court House, Va Sept. 13, 1869.

J. J. LAWRENCE, M. D.—Dear Sir: I have carefully examined the formula, as well as the Therapeutic properties of your Koskoo compound, and *have prescribed it in some stubborn cases of Chronic Liver Affections Dyspepsia, General Debility, &c., and always with the most gratifying results. I find it to be a splendid Tonic Alterative, and Hepatic combination*, accomplishing its constitutional effects *without the slightest debility*; in fact *it gives first support to the General system* while its alternative effects are being produced. *I cheerfully recommend its use to the public.* Yours, truly,

T. F. FENTRESS, M. D.

KOSKOO CURES SCROFULA IN ITS WORST FORMS.

From Mr. A. W. Mills, a prominent and well-known merchant of Norfolk, Va.:

No. 11, Main St., Norfolk, Va., Sept. 15, 1869.

DR. LAWRENCE—Dear Sir: Your Koskoo has worked wonders in my family. My daughter has been a sufferer from Scrofula since childhood. She lost thirty-one pieces of bone from her ankle, several from her arm, besides having ulcers in several parts of the body. Whilst in this condition she commenced taking your Koskoo—IT ACTED LIKE A CHARM ON HER—UNDER ITS USE THE ULCERS GRADUALLY HEALED, AND HER GENERAL HEALTH GREATLY IMPROVED. It certainly saved her much suffering, and perhaps her life. I regard Koskoo a SPECIFIC for all scrofulous affections. Your Koskoo also cured my wife of dyspepsia, from which she suffered greatly. SHE IS NOW IN BETTER HEALTH THAN SHE HAS BEEN IN FIVE YEARS.

With the highest regards, I am gratefully yours, &c., A. W. MILLS.

KOSKOO, THE GREAT INVIGORATOR.—Read the following from the Rev. Joseph E. Martin, pastor of Wesley Chapel, Portsmouth, Va.:

"This is to certify that myself and wife have used Dr. Lawrence's Koskoo, and can testify to its beneficial effects. Previous to taking it we were in a condition of debility—had no appetite, and suffered from sudden and often violent attacks of headache and nervousness. Two bottles of Koskoo has improved our general health, and we regard it as invaluable, and most cheerfully recommend it to all who have need of an *invigorator*. Yours, &c.,

JOSEPH E. MARTIN.

KOSKOO!

CURES CHRONIC RHEUMATISM.

Norfolk, Virginia, September 7, 1869.

DR. J. J. LAWRENCE—Dear Sir: My son has received so much benefit from your wonderful Koskoo that I cannot refrain from expressing my gratitude. I had tried almost everything without benefit. I believe, in all sincerity, that your Koskoo IS AN INFALLIBLE REMEDY for the disease from which he has suffered, and, so far as I can learn, has never failed. If you only knew the immense amount of suffering that he has undergone, then you could conceive the value of such a remedy as Koskoo—THAT SURELY CURES. The great amount of good it is now doing among us is inestimable.
With much gratitude, I am respectfully yours, &c., MRS M. E. A. NELSON.

DR. LAWRENCE—Dear Sir Having been treated by several skilful physicians for Dyspepsia, Chronic Disease of Kidneys, General Debility, &c., without benefit, as a last resort, I commenced the use of your Koskoo, and am pleased to say that under its use my health has been entirely restored
I am, sir, with much respect your obedient servant, O. B. MEARS.
No. 5 Market St., Norfolk, Va., July 6, 1869.

Pacific, Franklin Co., N. C., Sept. 11, 1869.

This is to certify that for a long time I suffered very much from inaction of the liver and constipation of the bowels and tried several remedies, but received no benefit until I commenced taking Koskoo. I took the medicine about one month, and I was completely cured and have remained well. I know of several cures made by Koskoo, and can cordially recommend it as a good medicine. JOHN H. BAKER.

From Mr. Womble, a prominent hardware merchant of Norfolk:

No. 18 Market Square, Norfolk, Va., Oct. 23, 1869

DR. LAWRENCE—Dear Sir: To the large number of testimonials which you offer of the great efficacy of your Koskoo, I take pleasure in adding my own. I suffered greatly with Nervous Debility, Headache, Loss of Appetite, &c. Two bottles of KOSKOO RESTORED ME TO HEALTH.
Yours, truly,
J. G WOMBLE.

From Rev. W H. Christian, Pastor Dinwiddie Street Methodist Church:

Portsmouth, Va., October 25, 1869.

This is to certify that I know Dr. Lawrence well. He is a gentleman of cultivation, and worthy the fullest confidence. I have used his "Koskoo" with advantage to myself, and have adopted its use in my family in cases of nervous debility and depression.
W. H. CHRISTIAN.

THE UTLEY

COTTON PRESS.

A NEW combination of power, whereby all friction is overcome. The simplicity, economy and durability of this PRESS astonishes all who see it, and the more so that a power so simple should so long have been unappropriated. With this Press, two men can do all the packing or pressing of a 500 pound bale inside of eight minutes: and it can be readily taken down and transported, as it is simple and light. We can supply these Presses cheaper than any yet offered to the Planter. Will send circulars to any desiring and we would advise all persons wanting presses to withhold buying until they examine this.

THE PRESSES are now being manufactured at the RAGS AND BLIND FACTORY OF THOS H. BRIGGS. All are assured that as between this and any other there is no argument as to its merits over all others. With the irons, any ordinary workman can put them up. The patentee is here for a few days, and will take pleasure in explaining its merits.

ALL POLICIES (AFTER TWO FULL PAYMENTS) NON-FORFEITABLE, AND SO EXPRESSED ON EACH POLICY.

No Restrictions as to Residence and Travel in the United States.

RATES LOWER THAN ANY OTHER COMPANY THAT PAYS DIVIDENDS TO POLICY-HOLDERS.

IT ISSUES ALL THE VARIOUS FORMS OF LIFE AND ENDOWMENT POLICIES.

LOSSES PAID PROMPTLY IN CASH.

"	22,394	15,00

And $5,000 ready to pay a loss of No. 24,161, so soon as the party authorized to receive the money appears.
The Company has been well tested throughout the State, as to its promptness in paying her losses, reliability, &c.

DIVIDENDS PAID AT THE END OF THE FIRST YEAR, AND ANNUALLY THEREAFTER.

Its ratio of expense to income is extremely low. This may be seen by reference to the Official Reports for 1868. For example:

EXPENSE ON THE $100 RECEIVED.

KNICKERBOCKER,	$18,54
EQUITABLE,	17,44
NORTH AMERICA,	21,16
BROOKLYN,	21,09
UNIVERSAL,	27,94
JOHN HANCOCK,	18,27
THE NATIONAL,	63,48
THE ÆTNA,	13,41

It has an IMPORTANT NEW FEATURE that has been copy-righted. According to this plan the rates are MUCH LOWER than in any other Company in the world.
Its ratio of Mortality is low. Its rates are very low. Its expenses are very low. Its dividends are large.
It insured more lives in the City of New York in 1868, than any other Company, except one. It issued more Policies in the United States than any other save one. It insured more lives in Canada than any other Company, British or American.
See what the HIGHEST INSURANCE AUTHORITY in this country says. In the June number of the *Insurance Times*, of New York, the following opinion was expressed:

"If there is any great benefit in mutual association, any great advantage to be derived from scientific organization and a chartered source, tending to mitigate the sufferings, lessen the privations, and add to the peace, security, and happiness of humanity, we are prepared to show that these blessings flow, in all their fullness and purity, from this excellent, powerful, and flourishing Company, the ÆTNA LIFE, of Hartford."

"No institution has brought more prompt, full, and grateful relief to the hearths of the bereaved and desolate, and none has been more uniformly distinguished for the enterprise, wisdom, and equitable liberality with which it has fulfilled the purposes of its formation."

"Its success has been almost unbounded and beyond all precedent. Eight years ago, in 1861, it issued only 583 policies, received an income of seventy-eight thousand dollars, and possessed net assets summing up to something over two hundred and eighty-one thousand dollars; but last year, 1868, it granted 13 837 new policies, more than any other Company, except the Mutual! It received an income exceeding six million dollars, and had amassed solid, securely and profitably invested nett assets amounting to over Ten Million Three Hundred and Fifty Thousand Dollars. And this wonderful ratio of growth has been sustained in 1869."
